#### Council of Constance (1414-1418)

The place Hus stood when he was sentenced by the Council.

"Remember beloved that I have never had anything more at heart from the beginning than your salvation. It is in His name that I have taught you the word of God and I shall never cease from doing so even from the bottom of my prison."

To a fellow priest, "My very dear brother. Be zealous in preaching the scriptures and work like a favoured soldier of Christ. Live first of all, piously and purely; afterward, teach faithfully and sincerely. Be unto others an example in every good work."

His last letter: "Master Martin, my disciple, forget not the faithful manner in which I taught you the Word of God. Master Nicholas... preserve faithfully God's word! May Gallus preach it and all of you, my beloved, listen attentively to it and guard it in your hearts."
